

MEMORANDUM OF TRANSMITTAL

TO: UA President

FROM: System Office Mission Statement work team

DATE: July 29, 2022

SUBJECT: Work team response to ELT revisions to the System Office Mission Statement

On July 15 the System Office Mission Statement work team received an updated draft mission statement as edited by the System Office

In order to complete this project with the same level of inclusion and transparency with which it started, we would appreciate a response to this memo, and the opportunity to share the proposed language with the System Office Staff Council and System Governance groups for additional review and input prior to advancing it to the Board of Regents agenda.
